## Unique gifts for effective brand recognition

amfori   
Trade with purpose

Aligned with the growing need to support recycling and reutilization, we continuously re-examine the way we approach our product selection, materials used and services. Within the different product categories, you can find useful products for use in everyday life. A branded item used on a daily basis will enhance your brand presence. Discover this More Than Gifts collection full of new exciting products, as well as budget-friendly tips, hands-on ideas and extensive printing options.

### Product

#### Responsible sourcing and production

All products are produced in a responsible way and comply with the requirements under European laws and regulations. Choosing more sustainable materials has been an essential factor during the development of this new collection.

### People

#### Social responsibility

During production and printing we focus on creating a safe and positive working environment. All items are well-constructed, tested and produced with compliant and safe materials.

### Planet

#### Sustainable solutions and sustainable printing

By strongly reducing the use of virgin plastic and rethinking the most efficient way to pack the goods, both individually and for onward distribution shipment, we can reduce waste and influence our environmental footprint. Our printing process requires the safe use of all production inputs, such as chemicals and the control of all production outputs and emissions.

## TECHNOLOGY & ACCESSORIES

As technology becomes increasingly essential to our lives, we've designed a collection of trendy technology gifts to enhance connectivity and productivity. This range features a variety of accessories, such as earphones, speakers, phone items and more. All items can be personalised to align with your company's unique style and image.
